**[Docket No. RP97-59-000]**

**Midwestern Natural Gas Company;  
 Notice of Proposed Changes in FERC  
 Gas Tariff**

November 6, 1996.

Take notice that on November 1, 1996, Midwestern Gas Transmission Company (Midwestern), filed the pro forma tariff sheets listed on the attached Appendix A in compliance with the Commission's directives in Order No. 587.

Midwestern states that the pro forma tariff sheets reflect the changes to Midwestern's tariff that results from the Gas Industry Standards Board's (GISB) consensus standards that were adopted by the Commission in its July 17, 1996 Order No. 587 in Docket No. RM96-1-000. Midwestern further states that Order No. 587 contemplates that Midwestern will implement the GISB consensus standards for May 1997 business, and that the pro forma tariff sheets therefore reflect an effective date of May 1, 1997.

Midwestern states that its filing includes a table listing each Commission-adopted GISB standard and its relationship to Midwestern's tariff, including a brief description of the tariff changes that are submitted with Midwestern's filing.

Midwestern states that copies of the filing have been mailed to all affected customers and state regulatory commissions.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 285.214 and 385.211 of the Commission's Regulations. All such motions or protests must be filed on or before November 22, 1996. Protests will be considered by the Commission in determining the appropriate action to be

taken, but will not serve to make protestants parties to this proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
